

## FITNESS WORLD NORTH ANKENY, IOWA

**Location:** Ankeny, IA

**End Date:** July 1, 2017

**Project Size:** 20,000 SF

**Budget:** \$4,500,000

### Project Description:

Based on the success of our Design/Build team assembled for the Ames Racquet and Fitness Center project, we were selected to complete this 20,000 square foot facility in Ankeny. The facility includes many of the same spaces present in the Ames facility including the extensive locker rooms including showers, toilet areas, and steam and sauna areas.

This project was completed on a fast track with construction beginning in November 2016 and scheduled for completion by August 1, 2017.
